Inflatables

The Children's Divisions have been enjoying the use of inflatables this week as part of their afternoon and evening activities. Pastors Eaton and Chitwood brought a water slide to be used for the Primary Division and offered its use to the other divisions as well. The Summer Camp had previously purchased several inflatables to be used as part of the Summer Camp program and one of those were used this week as well.

Wild Flowers

Many may not be aware that the beautiful wild flowers that grow along the entrance road to Camp Yavapines are not an accident. Those flowers have been planted there by Scott Blake. At the end of each season he will harvest seeds to plant them for the next season.
